“ I still can't believe one of my dear and close friends is gone. This hit me really hard. I know for a fact that Ms. Vi was a God fearing woman and a firm believer in Him and His Son Jesus Christ. So I know she is in heaven looking down on us, rejoicing around the throne. U will cherish the memories and conversations we had as we worked alongside each other for the housing authority and KFF. This Lady made a major impact on so many lives. When you hear " let your light so shine that others may see your good works, and glorify your Father which is in heaven", this is how Ms. Vi lived her life. A true child of God. I am truly going to miss you. I pray that God strengthens the family and draw them closer so that Ms. Vi's light can shine through them. I love you all oh so much.
