“ *Cuz, I am literally lost for words. My heart goes out to your parents, kids, and siblings. I will forever cherish your fond memories. Watching you and my boys every day out in the street playing basketball, riding bikes, playing the games and on to your adulthood. Even then you still made sure you hollered what's up cuz, if not a conversation was held and went on smiling as your usual. Family, just know yall are in my thoughts and prayers. Asking that God, gives you comfort, strength and an understanding during your bereavement. Love y'all!*

“ *Wesley,
I'll never forget the good times we had! And I'll never forget the bad either because in all honesty they created a beautiful friendship.
