“ I got to know Mrs. Buford at the nursing home while my mother was there. I so enjoyed our visits and just wanted to say what a blessing and encouragement she was to me over the time I knew her. It was apparent she was a godly woman.

“ Buford family, Sorry for the passing of your dear mother. My mother just loved talking to Mrs. Buford. They would meet every day at the nurse station. Thank you family for sharing your mother with my mother Mrs. Savannah Mullins, she was a dear friend to mother, I thank her for that. I know that she loved her children, and you loved her. Stanley, you were her little baby. when you were in my second grade class many years ago, she was always their for you. You was a great young man then and you are now. Mr. Buford told me that he would come to see his mother every day and he did, what ever she needed he and the family made sure she got it. They was a blessing to their sweet mother. Keep loving each other.
